June 28, 2018. **Title: Where Is GOD.** Shall I create that world broadcast also to show the most Anti-Christ showcase of WherelsRobertRose.com. For I know exactly WHERE I am at and have never hidden from any epic battle of GOOD versus worse EVIL. We are at UUCP this morning listening to commentary on President Duterte's comments that 'GOD is STUPID'. Duterte stated that the Roman Catholic version of his GOD is STUPID. And that Duterte's GOD would never allow stupid people to do stupid things such as crimes against humanity. Trump just make more executive orders to restrict trade and travel on red flag false assumption that terrorism is conducted by individuals. That alone is STUPID in colossal ways. Terrorism is the #1 plaque of cybercrime terrorism. It starts with Identify THEFT and impersonating others in order to pervert information for pure criminal profit motive and opportunity. This is basis for the original criminology campaign of eVOTE.one and FOIA.one that forever destroys all ability for deception and crimes in the first place.

SolutionManifesto.com and SolutionMilitary.com destroy crime networks by simple application of common sense, use of existing tracking and recording technology, and principals of enforced integrity and ethics. Using UNITYurl.com that is generated by universal standard engineering engine of Solution5sTeps.com, each community now solves ALL their own local and international issues by coming into agreement with each other in non confrontational mediated open public forums. Everyone who is concerned eVOTES.

I do a historical speech that I do not record. Why would I. Since I already did everything.

World rebroadcast. The new World Standard is SolutionManifesto.com as I updated IFJC2.com and NewZion2.com that was broadcast gifted to world BEFORE the Anti-Christ ROSE ordered murder for hire of the ONE true man of humanity who is here to SERVE all nations at all levels as #1 top world leader Consultant advisor like Billy Graham and John the Baptist, the disciples, apostles, and true fore founders of your new world society UNlocracy.com <http://client3635.wixsite.com/uniocracy/ifjc2-newzion2>.

Yes, 100% true, I have been victim of #1 cybercrime Terrorist Robert Dee Rose since Nov 4, 2007 as he alone extort blackmails and even murders eye witnesses of his most extensive infiltration of USA GOV, corporations, military databases and enterprises with AgileLaw.com and other clearCollarCrime.com RICO billion \$\$\$ valued crime network cabal enterprises. He remains free at OneOceanBahamas.com because each person with any authority violates Constitutional Laws starting with Obstruction of Justice, aiding and abetting these terrorist networks, and other crimes against humanity by their REFUSALS to simply HOST the required Press Conferences. For all these WORLD broadcasts are EXACTLY what topples the fake news media, destroys crime networks, transfers TRILLIONS of \$\$\$ of YOUR stolen assets back to you, my most beloved +7.6 billion people.

When world is EMPOWERED by the ONLY answer solution series driven by eVOTE.ONE and one international open public database URLiDent.com, each person becomes the eyes, ears, and spokesperson of their communities to eliminate the original 3 Chinese Monkey syndromes of

1. See no Evil. 2. Hear No Evil. 3. Speak No Evil. Until everyone directly address the most massive corrupt politicians, corporate executives, and underground crime enterprises will our mutual world actually PROSPER and THRIVE with UNlocracy. My soon prophet step Son Ezekiel told me. "No Dad, there are FOUR Chinese monkeys. The fourth one is POOP no EVIL'. From the mouth of your future spokesperson as he speaks the absolute truth that our world is being CRAPPED on in all respects because of Matthew Chapter 23 (123 punch) of bigots, racists, hypocrites, cynics, blinded fools, + criminal broad of true serpent vipers. This extremely large group are the Criminal Ruling Elite and their slaves who are bound to serve their masters or be slain by martial law, 9/11, terrorist attacks, poisoned food/water, and any other gas of the most deadly smoke and mirrors deception of uneducated masses of the proper words: morons, drug addicts, peons, imbeciles, sinners, criminals, and just plan lazy people who have no clue their own assets are systematically drained from their blood to empower those who are criminally in-depth.

The absolute #1 reality is that I work FEARLESSLY for GOD and humanity this entire time, all 59 years of my life. I have invested my life fortune, lost 90% of it to ROSE, Bashama, Duncan Clan (all of them), lost TO my pre-paid lawyers, LOST to USA GOV criminal agents, and of course LOST everything but my GOD gifted soul. For I still HOST PRESS CONFERENCES almost every day. SEE what happens when BidOnKeith.com GOES PUBLIC to world leaders once and for all... Yes, you owe me big debt by now. All those hundreds of hours of direct training and education and current result is zero... just like rest of world.. ground zero.... genocide of my world and yours...

False promises and inability to LEAD others is exactly why our world tumbles into genocide. False promises after being trained and paid is exactly why so many have victimised myself and most of our world. Here is todays world re-broadcast call for THEM to HOST PRESS CONFERENCES> GO to PRESS, USA GOV, and all top leaders with THIS and see that I have been RIGHTEOUS in name of my FATHERGOD this entire time.....

June 26 to 21 have been spent commanding our world WAKE UP, RISE UP, and overthrow all crime networks as the PRIME requirement to create total peace and world social justice. Thurs at UUCP then meetings at DOST-TAPI with President FIS Manny Dono + NAST + Phil Research Council (Taguig). Fri all day with Lino Diamanta Purchasing seminar Santa Rosa on way to Tagatay. Sat BCBP breakfast with June and Julius, then SMX TechoSummit with entrepreneurs. We spent entire time speaking directly with each and every booth exhibitor. All of them while they were doing PITCH competition for new generation solution startup companies.

Tuesday, June 26, Our team is ON facebook.com/Philippine Inquiry 99 Radio/TV today as featured guest EVOTE.ONE TurnOffLights.com ANother PRIME world supply demand chain testimony to world is that almost everyone is a subconscious unconscious conscious objector. In War time, these Conscious Objectors use any reason to avoid taking responsibility, usually claiming the ruling elite are using their armies as cannon fodder. Now the super criminals like ROSE and top world UN-Leaders use the overwhelming force of false media propoganda, and promises of "These things just take time" and "we are SO SO BUSY dealing with your issues, we have not open time to meet with JESUS or equal." yes, true. Jesus will NEVER RETURN, nor Mohammad, or Buddha or equal for the simple economical spiritual modeled reasons of "WHY WOULD THEY". Since my people remain blinded by their very own greed and self entitlement mindsets that have been fully capitalized by total control of your information, assets, and destinies. Most believe NOTHING can be changed about any of the current crimes against humanity since change requires action on their part. Since they are TOO TIRED chasing idol worshipping of Sex, Drugs, Gambling, theft, murder, rampage pilfering of everyone, WHY would they "RISE UP" to be in charge of their very own collective destinies. SO I return to Heaven when my FatherGOD calls me home. Might be NOW, might be 40 years

more when I reach 100, might be never. For GOD can raise the dead at his decision free will choice. I can only raise the dead of the bubbling bungling idiots and blinded fools who are brain washed cult bewitched into thinking the ANTI Christ must overcome the world and rule everyone BEFORE GOD will ever intervene. so be it.....

Speaking on 'sorrowing'. Jesus speaks about being 100% about his FatherGod's business. John 8:12 ..." I am the light of the world. Whoever follows me will never walk in the darkness, but will have the light of life'. This was original FollowKeith.com design engineered to SaviorKeith.com FatherKeith.com and final GodSendKeith.org. Verse 13 ... "your testimony is not valid". Verse 14 shows my FatherGod's response. 'My decisions are true, because I am not along. I stand with the Father, who Sent me'. John 10:30 also is ultimate truth in form of rebuttal of WHO I AM, and WHO you are...

June 8, 2018. Inventors 8am meeting no-shows by Raymond. Slept in. Lunch 2/Nina + susan. 1 pm at PNP regional headquarters Press Corp open meeting w/ 30 other broadcasters, only 5 women. Many know me from the multiple world events I attend and broadcast. Each are key to the most powerful Press Conferences in world history to FINALLY embed UNlocracy.ORG into lives of my 7.6 billion people. Philipphines just dropped to 13th position national world population of 106 Million behind Ethiopia. I ask if the 10 million OFW's are counted or not. That is 10% of their people who bring in 10% of the GNP Gross National Product. That alone is a criminal slave tradition trading shame solved forever with MaryRights.com Even my own soon-ex Wife marites Frignald is a 'No Money, No Honey' escape back to Hong Kong for she refused to see any of the 'GodZillions' of \$\$\$ economy transfer from criminals back to you, my people. China and India are #1 and #2, USA 3rd. The discussion today is all Tagalog. I do not voice record, so I have only a few clues on their topics of this General Assembly.

I remain both bored and totally focused on WORLD unification reform for now +10.5 years full-time ministries to humanity. No criminal action has been ignored. All 100% most positive answer solution methods are your reality. I

even contacted Atlanta Based law firm AGAIN last night asking for immediate filing of hundreds of civil and felony crime lawsuits so PRESS and my world will RISE UP to command they are now owners of their own new world economies. Since all 7.6billion of my people benefit, no one can EVER deny any of your-our SolutionManifesto.com Central Human Bill of Universal Rights. A lady is in long heated debate with the young president speaker, typical. I voicerecord last at 2:08pm summary. This Press Club has their election day on June 15. 3 pm now as they finish on events and their focus as media centre of Manila PNP headquarters. They discuss Constitution and By-laws of their organization that should address basic common sense operating protocols and mandates. UNITYurl.com is the prime method for entire world to unify with one standard unification system to actually MAKE progress.

The most basic fundamentals is the most massive waste of GOD's resources on Paper Chase Cyber crime terrorist conspiracies and resulting coverups and crimes against humanity. As man is primally pre-disposed to be predatory greed scavenger savages. Most mindsets are how to take advantage of others. This group even fights over WHO has the microphone. Any NSA (myself) speaker knows that HE who controls the mic, controls the crowd. Last lady speaker talks about judicial jurisprudence.

June 7, 2018 Thursday. UUCP master breakfast, then , then late meeting with Inventors Society on how to rebuild all world economies. So very few actions are needed by my people to UNIFY all mankind. GO PUBLIC is prime as I have already established my world leader consultant enterprises as the new Master educator of our world with my teams.

June 6, 2018. Lack of classrooms. USEC DepEd Mataeo, NCR Police Chief Elezgar, Congressman ?. 46,000 public schools. Macbook went dark for 30 min so VoiceRecord and video rec on iPad Pro. Gave 3 key world broadcast packets to all three. They discuss horrific statistics on the drug wars, 50% of high schoolers in PRIVATE school, elementary schools have 30% private, lack of teacher basic salaries and almost ZERO technology in any classroom. Solved forever with WorldSchoolFund.com.

Our Guests are Attorney Nasser Marahomsalic, former Commissioner of Human Rights (blue shirt already asked to meet with my team.) In Red heritage shirt is Muslim Mr. Timely Leticio Datuwata (Timuay Justice and Governmance, Indigenous Political structure of Tenduray and Lambangian. At 9:44am. (man in white shirt) speaks about USA Indian indigenous human rights violations of 1600's to present. Further injustices. VideoRec2 9:46am Injustices are Crimes against Humanity. Melo states 'What are friends for? answer: people to abuse and take advantage of...' These are write ONCE, read public as WE the PEOPLE own all the information and assets of GOD. For our assets are loan borrowed from the bank vaults of GOD himself.

9:51am. Taxes and Acts of Congress are never tracked by public. All these Multilevel Pyramid Crime Cybercrime Enterprises are criminal profiteering by stealing of our assets and identities for Anti-Christ satanic and demonic purposes. None of our current systems empowers my people to control and manage their very own current

realities and near term destinies. Once SolutionMilitary.com and older SolutionUNI.com become the new world single standards, our entire military criminal complexes and assets become peace keeping engineering enterprises.

If our world is ever invaded by aliens or has massive catastrophic plaque or man-made or GOD generated disasters, our world will now be united to survive by KEITH Quote "Acting with authority of fearless people to protect the rights of all others." For the aliens among us are the most monocacy originated seasoned criminals who are experts at cyber crime terrorism. Robert Dee Rose is #1 most man hunted person in world history along with every other single criminal who refuses to surrender based only on the victims presentation of the crooks own crime spree evidence.

VideoRec3 9:57am. Leadership or Tyranny. Our UNIONist crusaders teach world HOW to solve all mankind issues in record time. CEOSPACE.net remains a key educational forum of international most critical need. The Lady speaks at 10:00am about Human Rights. Keith: Few people know HOW to teach our people to be honest and create our new world TeenMM.com driven UNlocracy.ORG new world society of all small business owners = all middle class.

10:06 Speaker Alveris Bill in Congress Bill on Mining Q by Melo. Blue (in 2007 year legislation passed). Melo won't let me ask Prime question as he states ' PRIORITY given to news media'. I am wearing my USA Press Association pass and am MORE legitimate than almost EVERY single broadcast media personality I have EVER met. I am the ONLY person using off-shelf technology at every level to record history. iPad Pro, Macbook Air, and iPhone combos. That are part of CreatorKeith.com all digital society started year 1976 NCSU Raleigh NC (PAMS) Physical and Mathematical Science. B.S. Degree in Computer Science Dec 1981. Maybe I need to get Foreign Press Club credentials, another massive barricade of all these walls our world erects to KEEP true men of GOD from leading our world into New World Society of total peace and social justice. HYPOCrites and nay-sayers remain most prominent including the majority of our political (NON) leaders. For they focus on re-elections, fulfilling campaign contribution bribes and kickbacks, and fighting political cybercrime wars among the ruling Parties of domination of WILL of Majority of THOSE in POWER. Odd that I stepped up to microphone BECAUSE the local News Media people DID NOT and was rejected by Melo who works for Catholic Bishops Conference in IntraMurials, Manila. I have visited them over 5 times on same tasks of ultimate missions of mercy and grace and have ZERO callback follow-ups from anyone. Same occurred to my FatherGOD Jesus Christ 2,000 years ago.

Melo at 10:16am asks about how to remove family Dynasties. Atty Nasser Marahomsalic is former Commissioner of Human Rights (blue shirt) We visited Commission on Human rights again on May 15 and have YET to have any callback. We met (susan, Nini, and I) with three of their investigators just last week at their offices.

I ask my two most critical questions at 10:27am. By definition, Indigenous people are remote from cities. 1 Do they have access to Public education. 2. Do they have access to legal help (Lawyers). Attn Nasser answers until 10:29am. Melo asks about Lawyers (access to education and lawyers) to Timuay Datuwata (answer in Tagalog).

Zeny asks Q at 10:31am (video5). 10:37am. Mindinao civil wars he speaks on exPres. Ramos.

fatherKeith.com Duncan just met and is working WITH General Elmer Jamias on HOW FOIA.ONE uses SolutionMilitary.com and eVOTE.ONE to rid our world of ALL crime networks. Political cybercrime terrorism is the #1 plaque of our world. As everyone knows, any government agent who VIOLATES laws is the Worst of the WORST criminals for their ability to DESTROY evidence and put whistleblowers and first hand testimony victims IN HELL JAIL or make them disappear. ALMOST happened to myself as ROBERT DEE ROSE remains #1 most wanted man hunted person in USA, even world history with \$2 Million USD IRSFebWB2009, case 658 supplying the Nora.Beadsley@IRS.gov and AG Sally Q Yates convicting EVIDENCE. Keith Duncan at (63)9173354300, ALL Saved with UNlocracy.ORG that is the new world standard for HOW to create total world social peace and economic justice.

Typical of my days is going where ever I am called and wherever GOD leads me (GodSendKeith.ORG) We still have big rats running here, just like the BIGGEST RATs of all (Remote Access Trojan terrorist plaques) of Robert Dee Rose and the most sinister underground crime Cabal network of corrupt politicians and Officials of the Court in world history... I sent most major critical email to Atlanta law firm just last night showing mega Millions of \$\$\$ to be claimed by simple filing of required

May 25, 2018. Ike Serenos (63)0908-315-0262 our monthly host at Elks Club @ Corinthians Plaza at 6-8 pm. TurnOffLights.com SolutionSafeWater.ORG audio recorded on TOTAL world society economy shift from OLD NEW WORLD ORDER to New World Society of UNlocracy.ORG. 15 in attendance with my Inventor Eng Harry Freides and his two associates. Discussion is on Solar Powered devices including ArenergySoluitons.COM.au. 80K pesos for 2.4 hp Hybrid solar powered Air Conditioner using 1/2 power of conventional Inverter A/C of 50pesos/day operating costs. Uses 4 to 8 solar panels for 50 sq meers. 1.5 HP unit good fo 35 sq meters. I paid 14K for my one bedroom unit 2 years ago.

Trade war between USA and China. Ike Serenos has major connections to Land Bank and other large groups. He ws with Ministry of Human Settlements 25 years ago. Current public hospitals are now, NEVER charity. Many Pharmacies and small hospitals can not even afford refrigeration and freezers for their drug supplles. Massive reduction in governments is ONLY answer. Ike states common thoughts of NEVER depend on a government to provide the funding and actual support. ONLY private sector an achieve any major advances in humanity. SME. (Small and Medium scale businesses).

I completed first and last Universal human bill of rights on SolutionManifesto.com All crimes ARE a violation of human rights. Absolute BASICS. Anyone who has a child is a Father and Mother. The name FATHER is normal and common, just like Dad, Pop Pop, and Mother Mom. Roman Catholic Priests ALL go by name of Father xxx. And they CLAIM no one else can EVER use the name FATHER because that is reserved ONLY for ordained R.C. priests. HYPOCRITES arise since how many of them actually DO have children out of wedlock. SOLVED forever once the hold-outs R.C. do just THREE actions. 1. Permit Divorce laws in Philippines (the last country to PREVENT divorce. 2. Permit Women and Men Priests. 3. Permit marriage of Priests. End result: a few years from now, the POPE will be doing Mass for billions of people. He will state: "Today I want to tell you the HELL that occurred in my own household. Here are my wife and two kids". The people will look up and say " OH MY GOD!!!! He has problems just like the rest of us..." Now everyone is normalised under ONE single UNIVERSAL Constitution Law and SINGLE Human bill of rights.

Anyone accused of a crime will stand trial with Open Circuit TV when the accuser and accused ask each other questions over Shared FOIA.ONE video mediation. The public will now be the Judge and Jury voting on WHO has committed the first violation or crime. Only those who identify themselves with their International ID - IID can vote. The public can also vote on the punishment and the restitution (payback for the Real and Punitive damages). My ruling BuiltByKeith.com Intellectual Property Copyright of all these gifted solutions have already claimed 1% of the crime assets and real and punitive damage awards as our transaction fees. These fees are already pledged to pay for free wifi for ALL public schools and villages with SOLutionHousing.ORG WorldSchoolFund.com and other final humanity saving solution human rights programs. Have you ever studied the mathematics of Chaos Theory. Small variations in any dynamic environment can cause huge shifts in cause and effect outcomes. Predictive analysis is also one of my talent gifts based on forensic observations of reality. By modelling through statistical methods and observable repetition, one of astute gifted persuasions and extreme persistence, can show the probability of outcomes. So I have stated that ROSE will be seized once any number of persons actually UPHOLD Constitutional Law. Properly he is a true ANTI-CHRIST so that all churches will also SEEK OUT and Capture this ultimate hardened criminal terrorist. Can't be this hard after 10 years of the most extreme crimes being committed by ROSE to steal my Intellectual Property and all my assets by SO many specific identified criminals to threaten my life thinking NO ONE will ever lift any finger.... May 18, 2018. World Rebroadcast historical EarthDay of total Social Peace and Justice. My current Philippines VISA is valid to exactly July 4, 2018. Mass PROTEST rallies will soon erupt as the most massive legalised solution to DEMAND that all justice be served BY, FOR, and OF my people.

Composite of last 5 weeks since NO market penetration has EVER been achieved despite 10 years of full time 24x7 deepest dive R&D forensic evidence of all aspects of criminal networks cause and effect. WHEN will Intl Press Conferences actually be triggered??? oddest fact of all is that NO GUN was ever the focus of ANYthing I have NOT done. In fact my home robbed Aug 4, 2010 in Norcross GA per Police Dept Report I filed. My dad's 1974 Smith and Wesson 357 taken with all my electronics as they ALMOST got away with ALL my computers too. That gun could have been used to MURDER anyone as my fingerprints would be used as evidence I pulled the TRIGGER. SO I have pulled the ultimate TRIGGER of social peace and JUSTICE on HOW to replace all forms of governments and corporate organisation Laws, By-Laws, constitutions, and commandments of HOW my people MUST enforce ethics and integrity at all levels. I publish this also, since there is NOTHING left to solve and gift to my 7.6 billion people....

Waste management at UUCP May 16, 2018. Dr. Meliodia Palaypay has not showed up. The most major WASTE is Political Corruption and Cybercrime terrorism conducted by the Criminal Ruling Elite. The most massive reduction in waste is by elimination of all crime networks and the resulting transfer of TRILLIONS of \$\$\$ crime wealth back to my collective people of 7.6 Billion People. Evote.ONE drives FOIA.one using UNITYurl.com at community level for everyone to solve their very own local issues. Community watch is now universal with Open Circuit TV with microphones and speakers accessible over free IseeATT.com or equal high speed fibre optic networks owned BY our people.

These funds now used to pay for construction material, engineering architecture, and pay for labor to build thousands of new all digital Creative communities that have almost zero impact on green eco-social cultural societies as everyone focused on conservation rather than being demonic self-consumers of greed, power, and domination.

For fear is the basic motivating factor that causes our world to succumb to the demonic propaganda of BUY NOW, pay later. As even the Bankers and insurance institutes prey on those who live beyond their economic means and ways.

SolutionHousing.ORG provides almost free safe home communities for 7.6 billion people of UNlocracy.ORG. As my people now own everything from the infrastructure, open public free schools, water, energy, marketplaces, the communication backbone networks, the agricultural resource, the stock market, and all aspects of humanity.

Never has this been accomplished because of the overwhelming control of the criminally inspired family dynasties who command the slave traded factories of commerce, trade, manufacturing, transportation, and the fixed pricing of bank loans and all commodities.

May 3, 2018. Freedom of Press Media Day in Philippines. Press Conference at Anabella Restaurant on Tomas Morato Ave. with 70 top journalists. Attacks and threats against the Press is rampant and horrific. The Press Release titled: 'Speak Truth to Power, Keep Power in Check' is a 2 page description of the current state of targeted attacks of

the media by Gov officials to dominate and control the news. Keith: I remain 100% neutral just like the the most prolific broadcast journalists report ONLY the evidence independent of external pressure to twist spin the facts.

SolutionJudge.com also applies to not only officials of the court, but also to Journalists. Most controversial aspect is the protection of source information so reprisals will not occur including death threats and imprisonment. This is also WHY I was held political prisoner of cybercrime warfare based on key certified documents that remain worth excess of \$500 Million USD for real and punitive damages and demanded Press Conferences By our world leaders to reveal WHO IS WHO, and WHO owns WHAT, and WHO is telling the truth versus massive dark shadow criminal cybercrime conspiracy attacks against our gov, corporations and my people.

Only 17 cases have been resolved with convictions out of total 135 cases. 120 out of 185 arraigned on the Maquindanao massacre with NO=ZERO convictions of anyone. Federal Witness Protection Program is non existence (exinsistant) just like USA that I requested from Atlanta GA Attorney General Sally Q Yates exactly Sept 2011 and now.

At 11:04am voice recording. I ask the most critical question of the Forum + Group. Does Philippine Military and Police offer support and protection during critical events? The answer is NO and has been asked repeatedly at any forums. This is a KEY and commanded need for the AFP and PNP Public Relations groups to be engaged directly with journalists so the TRUE news can be freely reported. This massively reduces the attacks against the media because we are WORKING DIRECTLY with Law enforcement experts as they are now SolutionMilitary.com Peace Keepers as Criminal Investigators who PRO-Actively work WITH the communities. Currently world wide holocausts are caused by RE-ACTIVE responses to civil and energy wars along with rebel and terrorist threats designed to destabilise governments and society.

Most people gamble and BET on the winners as the political Parties are prostituted in bed with underground crime terrorist RICO cabal organizations. NO one ever successfully exposes ALL crime networks at one time. Cutting off at the head of a crime enterprise just enables others to fill in the GAP. Same occurred with all the assassination attempts on Hitler (WW3) and even the murder for hire attempts on Keith Brent Duncan by so many specific criminals on TheFinalTerrorist.com repeated for now +10 years. NO honest person yet to be found who does the most obvious, SEIZE the criminals and put them on trial in the open Circuit TV live feed broadcast Court of Public Opinion.

###. May 3, 2018. SECOND Press Conference. LODI.ph. The ABS-CBN journalist next to me is also a speed typist using 2 iPhones and a large BT keyboard to record the conversations. 6 young men and 12 young women journalists here 2pm at Half Saints Bar Next to ABS-CBN tower with LODI. Lamangan, Joel Saracho, Inday Espana-Verona (on panel. Former ABS-CBN News-Current affairs), and Prof Danilo Arao UP College Mass Comm.

So many people are attacking Duterte's administration for repression of the press. Biblically odd as I work FOR all world leaders and press showing them all the TRUE pathways of Jurisdictional Prudence, social justice, and total world peace. The conversation is on the murders of Journalists who record critical and often hostile situations. Many governments immediately ban journalists who associate with known human rights activists. This happened as the Palace (Duterte) banned rappler.com for reporting on critical economic and war events. The answer is to embed journalists WITH the Government so the REAL news is fact checked and NOT censored.

This all occurs with FOIA.ONE. Video on iPad at 2:38pm is short and powerful. Typical for my life reporting on the true cause and effect of the economic holocaust apocalypse of cybercrime terrorism conducted by ROSE and other most satanic demonic ANTI-Christ cabal RICO crime against humanity enterprises. Most are quick to identify as shell and shelf companies are registered to avoid detection while they secretly transfer assets, cash, and resources between the network of underground web based electronic crime enterprises.

Lives of journalists are equality with rest of society yet they are often threatened with death and retribution because they expose crime networks and evidence. Few journalists also provide the SOLUTION Methods to STOP, PREVENT, and ensure society actually enforces Ethics and Integrity. This is also my most extreme frustration that no publicity of true merit has ever occurred since Jan 15, 2008 when ROSE threatened my life thinking I would NEVER get my very own \$109,800 USD 3 promissory notes paid back due March 2008.

At 2:55pm, nice ABS-CBN journalist next to me asks audio recorded q in Tagalog to Ms. Inday Espina-Varona. This is 16min audio ending 2:57. Audio 2:57pm host asks in Tagalog next sequence. Discussion is about IS the PRESS free to report the REALITY of our world. Mostly in Tagalog. In USA and abroad, most media is owned and perverted by a few super wealthy owners who control the flow of information purely for PROFITEERING, and seldom report the reality of the mass genocide and crimes against humanity that kill millions of persons each year.

Concurrence on agreements of upholding the existing constitution and the role of the Supreme Court to interpret legal rulings for social peace and justice. The law of the land. Local laws versus Federal laws is a major conflict for all world politicians that can NEVER be resolved without eVOTE.ONE

Worldwide, political fighting is a true crime as well as the most profitable commercial business in world history. The ability for any wealthy individual to buy their way to a leadership position, earn a measly salary, and then emerge super rich is an obvious CRIME against humanity that has existed since the dawn of man.

The Power of knowledge has been perverted and prostituted to empower a select few of family run dynasty tycoons to control our entire world at all levels. March 25, 2018. BBK20180322-TrueReality-PalmSunday-1064.pdf Back at UUCP Palm Sunday service as Presidential Spokesman Harry Roque is on row 3, I am on 6 with Nini Valera. They sing my favourites of Gloria in Excelsis How Great thou art, Hosanna. Guest speaker is Dr. Luna Dingayan President of Economical Theological Seminary and is key leader of the Church of Christ here in manila. Scripture is Romans 8:26-30 and Luke 4:18, with Matthew 24. Sermon starts 10:34am voicerecord. Title: To be like Jesus, and change the world. " This is the KBD mission statement of 'Act with the Authority of fearless people to protect the rights of all others'.

Dr. Luna speaks about human relationships that is the true basis of why GOD created humanity. Jesus re-entered his prime JerUSAlem centre of worship on a humble donkey to mass greetings of crowds that saw WHO HE WAS and how he was a humble servant representing GOD's Sovereign rights. Same as here. 3 years ago I am in China preparing for mass pilgrimage trips to JerUSAlem, EmmaUS, Rome italy. April 1-5, 6-16.

Jesus was denied all his rights because he overturned the criminal tables. Same as myself. Luke 9:16, John 10:1, Luke 24:33040, John 13:4-6 are the stain class windows in this prime place of worship.

Prophet Isiah stated to bring the good -best news to the poverty stricken people. Grass roots reformation occurs when our people RISE up to command their leadership over those who are the crime ruling elite. K: Now the cybercriminal terrorists rule our world at all levels. In order to be like Christ, we must go back to the basics of our faith. The most powerful commandments are two. Love our GOD with everything. 2. Love your neighbour as yourself.

Ecumenical is defined as working together in communities of faith, grace, social justice and world peace. In Gospel of John, the commandment was Love each other. To Change the world is to LOVE each other. K: to empower our people to fearlessly protect the rights of all others as I have done my entire life. For the Matthew Chapter 23 bigots and racists are the criminals who slander and libel others to justify their own lives of crime.

He speaks about the Wed UUCP forums at 10:58 am. to enlighten our people with education on HOW to solve these major world problems. Where I served prisoners, guards, and everyone I have met, this entire time. End result is SolutionManifesto.com that eliminates all the cynics, hypocrites, racists, criminals, corrupt corp executives and gov leaders all at one required time. When IS the time? Bible says only GOD knows and a few of his chosen people known collectively as messianic messengers.

Second segment is on Barangay elections and issues on voting rights and plunder fraud. All solved YEARS ago with legacy SolutionGovernment.com now eVOTE.ONE

Counselor is Ricky Corpuz, Undersecretary ?? Is dark shirt (mustache) 2nd person. Lorenzo Zuniga Jr. first person, Atty Edmond Abesamis. #4 is General Eduardo Ano is Officer In Charge DILG. Attorney Edmond Abesamis is #3. National Pres of Barangay Captains.

Drug war discussed video 10:45am, timestamp 4:30min. 43,000 barangay captains crisis is election result fraud and subsequent plundering of assets by captains engaged in gambling rackets and drug overload overlord pilfering.

Audio started 10:53am. Election May 21, 2018 scheduled is under debate for 3rd postponement since no one on earth knows how to RID OUR WORLD of any corruption at any level.

The impossibility of any of these only answer solutions becoming YOUR standard only best practices is because of the most massive cyberime terrorism attacks, blind greed, and control of flow of information that is perverted by these prostitute terrorists who rule with impunity and immunity.

Discussion is extension of 3 term limit of 3 years each to terms of 5 years. Proposal is to re-align on Oct 2018 elections. NOTE to self. My earpiece was plugged into iPad, so audio for last 30 minutes wasted. But I have it on MacBook to re-match later.

Still in Tagalog dialect so I focus on what I can understand. If I had free hi speed fibre optic wifi internet, I would be using live stream audio translations real time.

General Eduardo Ano is Officer In Charge DILG. He is 4th in row with glasses and white shirt. Speaking at 11:03am. Attorney Edmond Abesamis (glasses) is #3. National Pres of Barangay Captains.

K: the total waste is the taxpayers and campaign contributors being plundered before, during, and after each election worldwide. Politics has been legally criminalised just like almost all other vice-sins.

New video 11:14am with 5th guest in purple shirt. We are also waiting for new Acting Chairman of Comelec Commissioner Al A. Parreno as I, kbd, personally went directly TO Commlec over 6 times dura just past 2 years. ZERO call backs despite speaking and showcasing them these exact same world answers.

Open Circuit TV with mics virtually and literally eliminate all corruption worldwide for each reason publish stated gifted this entire time of extreme satanic tribulation. K: most pastors say Satan must rule Earth 1,000 years before Christ returns. Who says? As most I have encountered are hypocrite teachers of false biblical laws. This is also the true reality of your world.

Councilor Ricky Corpuz is #1 guest on Melo's left speaking at 11:19 am. he speaks on criminality. Barangay election validation is repeat q. New Video 11:29am #5 appears to be a Priest or religious leader. His purple shirt says V.A. Valmocinla. I am down to 15% macBook battery since I stress the heaven + hell out of the same technology I pioneered starting Aug 1976. Attorney Edmund states "hook line and sinker" at 11:34 about Roman Catholic church. My prime issue with R.C. is their almost total lack of evangelists and missionaris as they are mostly 'TOO BUSY' counting collections and rosary beads and do indeed,

brain wash their parrishes to perform rituals of prayer and ?? To appease themselves of their sins, crimes, and vices. Yet seldom being education informed to MAKE it right with their victims as these priests called HOLY FATHERS are so often hypocrites. The single word father and mother are reserved for those who have children.

Q from journalist floor on video 11:37am restart. DILG discussed by #2 dark shirt mustache. Zeny asks Q at 11:39, opens with reference Apollo Quiboloy. Her Q is re Internet addiction. She speaks on Tree of Knowledge. Response is about Human Trafficing. I went to DOJ human Trafficing director many times 9 months ago, Cybercrime Interpol groups, and everyone else GOD sent me to meet.

GodSendKeith@gmail.com is GodSendKeith.org

Campaign against insurgency and terrorism mentioned. Stopped with OCTV auto-face recognition already gifted to world years ago. Mac battery 6% must shut down soon. iPad is still recording.

New audio at 11:45am. As Attorney speaks about 'cleansing the barangay captain ranks.'. 50% of the captains involved in numbers gambling rackets and drug shabu kickback protection mafia.

11:55am battery 3% so I shut down final audio recording, iPad is still alive active, just like myself, son of humanity....

March 12, 2018. At Tapatan Aristocrat on Chief Justice Ma. Lordes Sereno who is the first CJ lady in all of southeast Asia. Voicerecord at 9:45. At 10:02, Host Melo Acuna states he spoke with Sereno who is on indefinite leave and recent Press Coverage that she demands ' Her Day in Court' just like myself at all levels to testify to world on HOW to UNIFY. At 10:05, Prof Danilo "Danny" A Arao is College of Mass Communication U.P. with 250 students out of 10,000 ? at this prime WorldSchoolFund.com university. I already gave him eVOTE.ONE and key HOW to unify world.

At 10:09am Senate-congress is all about Politics regarding impeachment process. All about crime family dynasty control over who is HONEST and who are, lets be honest 'terrorists'. The definition of a terrorist is anyone who perverts an organisation or government for 1. Personal 2. Political 3. Financial gain. OH MY GOD OMG - does this not describe almost every corporate executive and Politician? Surely I have decried and decreed to entire world that POLITICS is eliminated forever with eVOTE.ONE using #2 RULE of empowerment to electronically kick the living HELL out of any demonic satantic leader.

At 10:12 am, Hon Castro states that impeachment process is normally reserved for filing by Representatives. He states ANYone can file impeachment. On the same day that my friend VACC Dante

Jimenez filed the impeachment formal charges, he met me for 1.5 hours at New World hotel Manila to showcase eVOTE.ONE and other answers including SolutionJudge.com

At 10:22am Melo asked CJ Sereno the 'step mother' syndrome. Described as a 'cat fight'. Philippine Inquirer. Prof Arao speaks about men CockFighting, yet men fighting with politics is accepted and legalised since our people have no clue it's all about criminal profiteering by most who are part of family dynasties who divert our God's gifted assets into their confined coffered coffins of secret accounts. Buried under true red tape bureaucratic conspiracies that no one will ever take time to link and unravel.

Restart of 2nd audio Record at 10:26 am with Prof Arao. Of Q&A forum. 1st is 37 minutes long.

Appointments of justices is also a root issue of who controls the process of selection, approvals, and dismissals. New Voicerecord 10:25am includes my key questions and responses.

Q&A at 10:40a ask the most prime question of all. Can Congress empower all people to electronically VOTE any leader OUT of office.... Plunder is the key world of political corruption. Persecuted or prosecuted discussed at 10:42 am. GMA (arroyo is discussed now). Cousin of Felix Macapagal, my B666 host since historical Nov 4, 2017 when I show up with exactly 666 Peso in my wallet, nothing more.

New audio 10:44am as Prof. Loretta Ann P. Rosales, Frm. Chair Comm on Human Rights arrives. Lawyers are discussed now, solved forever by SolutionJudge.com that has existed since back in 2009 prior to worst crimes against humanity.

Q from Melo to Arao about Constitutional crisis. New audio 10:58am. Supreme Court (11:03am) must be empowered to uphold law and not be embroiled in crime party politics of control. Attorney Lorenzo Gadon arrives now Complainant Impeachment case vs CJSereno.

I ask another KEY world question at 11:15 audio on Ipad. A verbal battle between Gadon and Prof Rosales breaks out in outrage at 11:24am. So so much TALK and so few ACTIONS as I just gave prime WORLD press Release to ABS-CBN journalist who Nini is also exchanging phone numbers.

March 11, 2018. At Blessed So Church on Timog Av Sunday with Pastor Harim. Nini Valera goes with me on my Motorcycle at 9 am. About 350 attend 10:30 am. Located near GMA network on EDSA. Info @churchSoBlessed.com 943-516-5030 April 7 concert. I text message famous singer Dulce and a President of Rotary Club on eVOTE.One and SolutionManifesto.com. Scripture is Genesis 35 about Jacob and GOD. Guest pastor speaks on horoscopes are not spiritual. Foreign Gods and worshipping vice crime sin idols are the root of all evil. My FatherGod remains outraged that few people actually fearlessly protect the rights of all others. Few actually have a personal relationship with GOD, Christ, and masses of their fellow human beings. All because most are scared to death of being scammed and taken advantage of by others. Verse 5. Demons are afraid of you. K: Same is ROSE is terrified that anyone will seize him for the most massive crime sprees in USA, perhaps world history. He speaks his first motorcycle was 70cc. Demons know the authority of GODs holy people who exercise integrity and social justice. 1 Samuels 7:2 "It was a long time, twenty years in all, that the ark remained at Kiriath Jearim, and all the people of Israel mourned and sought after the LORD." "And Samuel said to the whole house of Israel, 'If you are returning to the LORD with all your hearts, then rid yourselves of the foreign gods and the Ashtoreths and commit yourselves to the LORD and serve him only..... And I will intercede for you.'" Israelites slaughtered the Philistines.

He speaks about the sin of PRIDE. One will not admit to a wrongdoing because of vanity. Applies to most politicians and corporate executives. Even many religious leaders commit sins and vices and cover up as false teachers of the laws of our land. Jacob is renamed Israel. The name Jacob means 'deceiver'. Genesis 35:10 Point 2. 'Your life and character change. Genesis 17 about Abraham at 99 years old. Rev Billy Graham just died last week at age 99. Abram was renamed to Abraham and established HIS covenant as everlasting commandments between GOD and his creators. This is SolutionManifesto.com

Pastor asks if accepting GOD has created changes in your life in maturity. Exodus 34:29 "When Moses came down from Mount Sinai with the two tablets of the Testimony in his hands, he was not aware that his face was radiant because he had spoken with the LORD." 2 Corinthians 3:7, verse 17-18 the New Testimony and covenant. The glory of GOD is suppose to be ever increasing.

Point 3 You receive a deeper revelation about GOD. Genesis 35:11. "... I am GOD Almighty; be fruitful and increase in number. A nation and a community of nations will come from you, and kings will come from your body."

K: From Solution5sTeps.com is stated: Is it not clear by now **WHO I AM**. Even my GodFather claimed through scripture that only FATHER knew when GOD would return his favoured Saviour Grandson to Earth to save them from their own greed and forceful vice idol worshiping ways. For I AM Keith Duncan, the true son of Humanity Mankind, who has been mercilessly and vindictively persecuted despite having #1 impeccable integrity credentials. I travel the entire world looking for the next places of greatest needs. I have contacted everyone with focus on all Churches, Press, Law Enforcement, Government Officials, Military, and literally the entire world of +7.6 Billion people in all Babylon languages. As the 'BABLE of talk' is a crime when NO one serves and protects all rights of all others. **Support Keith's final efforts** as all the criminals want to steal and use my Intellectual Property I published to dethrone Satan ROSE + all others. This is stopped with the deadly force of Keith's right hand (Job 40:9-14) as these broadband video showcasts are irrefutable when the public simply uses all these solutions and joins UNITYurl.com today. I truly wish to return to Heaven soon since no honest persons or other Messianic Messengers have yet to be found. I choose you. Are you one? SolutionManifesto.com ChristDomain.com SolutionIslam.com Unify our entire world, one relationship at a time, just as my FatherGOD original created and designed...

12:25pm service continues.

Then at Apollo Quiboloy SMNI broadcast centre 3:30 pm to 7:30 pm. We finally leave as the crowd is being brainwashed for 3 hours with MUSIC praise ministries since Apollo uses this to DEMAND obedience to his pastoral deliveries that HE is the Appointed Son of GOD. I have asked to debrief him with all other religion and world leaders for new +7 years to ask him if HE is the ONLY messianic messenger and WHERE is Jesus + GOD.

Exactly WHAT is the prime objection of ANYONE, including focus on WORLD leaders to NOT use any of these world saving answer solution methods... Is it pure BLINDED GREED and super criminal enterprises that RUN our entire world.

Clearly YES. For this has always been exactly what is occurring throughout history. The Rise and FALL of mankind since few ever learn how to actually fearlessly protect the rights of all others. Same occurred to most great Fore Founding author inventors broadcasters of TRUE social justice and peace. They were often kidnapped and forced into HELL jail as political prisoners of the top religious leaders and politicians to PREVENT the showcasing of the actually lowest level and most highest criminal enterprise linkages. This is the total web of deception as THOSE who control our electronic databases and have SECRETS are those who control entire world.

SOLVED forever and PREVENTED forever with these only answer solutions that are truly 'unhackable' and fathomable in our new world society. From Chicago Illinois as I was expecting this to be a LOCAL with all these World leaders present. I am sorely disappointed for obvious reasons as Andy Stanley is one of my own prime pastors from NorthPoint Community Church Alpharetta Atlanta GA and CEO Facebook. Why has NO world leader or even lowly indigent person actually completed what I have gifted world: How to unify.

Bill Hybells (67Yold) from Willow Creek is reading his presentation on table 18 leadership Crisis point. Instability of society caused by dis-respect. He speaks about worker attitudes and performance. WRONG direction just like rest of world. Only by creating entire world of small business owners who OWN their own communities, factories, services and products will humanity actually PROSPER and THRIVE in PEACE to the end of eternity. Senior Leaders seldom actually work directly with our young people and have ability to actually MOTIVATE our older groups to TAKE ACTION to Fearlessly Protect the Rights of all others.

Sermon: 'respect everyone always'. Intrinsic dignity. 1 Peters 2:17 "Show proper respect to everyone." He claims he had to 'earn his keep'. Who has earned MY keep. WHO has done a 'DAMN' thing to respect the rights of all my followers, disciples, apostles, prophets, even saints who I have been recruiting and training this entire time. 9:49am Point 4 Incidenary words. Point 6: Leaders must apologise immediately if they err. Rule 8 must form options carefully and stay open minded if better info. #9 Must show up and do what they promise. Zero tolerance for disrespect. 9:57am about Succession of leadership to the next generation. Who, When, How. Bill is reading his entire presentation. Least anyone can do is use a Presidential Political speech prompter. I HATE read speeches because the element of impromptu integrity is missing. Original SolutionGovernment.com stipulated that all politicians(a very criminal word) must NEVER read their speeches as they blame others if they promise one result and deliver crime later. He speaks about tormenting your little brother (for fun). Feb 18, 2018. Today is Sunday as I attend the Jesus is Lord Rally at famous Jose Rizal Park with at least 10,000 persons in attendance with Bishop Eddie Villinoveoa. I just spent last 3 days on world re-broadcast street missions and going BACK to many of the top government agencies to get ABOVE press Conference request to BE RELEASED to FREE my PEOPLE. That was always the prime center stone reasons why I have been the most above board evangelist crusader of all time BECAUSE of the most horrific crimes committed against me by all these satanic forces to PREVENT my people from rising up to be their own control managers of their own destinies as GOD's faithful believers who see these absolute truths and learn to FEARLESSLY protect the rights of others rather than being such sinners of greed and vice.

At 5 pm I am on far right front at Security checkpoint as they are helping me meet the top elders and visiting pastors from other nations. The banners are simple of 43th church anniversary. In Feb 1975 I was Junior Ragsdale H.S. Jamestown NC USA driving school buses, active Order of Arrow Boy Scout, and ministering to all I met then as in now.

Oh, this is NOT JIL. It is 500,000 member Jesus Miracle Crusader Ministry run by ONE single pastor. Is this another brain washed cult. I speak at length with one 65 year old Oklahoma former CaliBurton? Chemical executive who was a drunk and overseas expert for 30 some years. He claims ONLY by praying to Jesus will our world ever change. So I custom gift him EVOTE.ONE christdomain.com and state the most obvious again. These are the ONLY divined ordained answers to UNIFY and reform all nations.

I also call Dr. Bill Ross at Marietta 1st baptist church I just left #1 most critical voicemail dr. bill Ross Marietta 1st baptist church to RALLY my people and MARCH on Atlanta FBI to demand they look at 11.1.1171.99 and simply CALL ME. For 85 to 100 people to go PRISON for what they personally did, sign false witness as they ALL profited millions by deny all rights to testify against their OWN crime networks. his office # is 770 424-8326 as he PERSONALLY promised to GO to Berry Vic Reynolds 6 months ago and DEMAND VIC call FBI. No one has ever had ANY option but to CONTACT FBI and demand they CONTACT me. That alone will finally cause massive PRESS CONFERENCES. ANYONE can do this, all 7.6 billion people...the power of a high powered church pastor, congressman or anyone with authority is that FBI would NEVER deny them entry into a FEDERAL building when they are indeed showcasing so so many criminals tied directly TO ROSE by their own certified signatures. ONLY true statement made by ANYONE was AtF WILLIAM BANKS stated I went to LANGLEY on Intl Security Threats. he never stated ROSE or any other TPO.... #.... was the text..

Feb 10, 2018 ### World Press Conference Release Re-post The most tragic reality is CyberCrime Terrorism + Political Corruption. This has always been about A 'FRESH START' for entire world ONLY occurs with Mass Publicity to FINALLY UNIFY all mankind with EVOTE.ONE. This is ABSOLUTELY IMPOSSIBLE without rise up of all mankind of my Muslim + Christian Soldiers, Sailors, Air Force, Marines, INTERPOL, ALL gov Officials, all Religions, literally ALL of the human race. 100% true. Thieves, criminals, terrorists at all levels steal GOD's assets thinking no judgment day by EVOTE.ONE using URLiDent.com ONLY last final open public database Tree of LIFE versus eternal DEATH.

The biggest difference between little boys and grown men is the price and deadly use of their toys. This remains the most powerful UNIFICATION REFORM movement in GOD's name to finally destroy all crime networks all at one time. The Military now consolidates or collapses into one single criminal investigative independent force who look for corruption and crime when any local community refuses to deal with their own underground black market networks.

This is also a direct call for the most Intelligent merit integrity persons to RISE up to literally OVERTHROW all criminals once and for ever. The inheritance is NEVER by the 'Meek and Mild' but for our children, women, and communities of true faith and grace as no mercy should be extended to any criminal who refuses to immediately surrender as they are clearly collectively showcased to our world on URLiDent.com

The white hat and black hat hackers known as computer science gurus, sages, visionaries and even each of the Bill Gates, Michael Dell, Richard Bronson, Warren Buffets, General Powell, Andrew J Young, Jimmy Carter, and other great leaders of capitalism entrepreneurship now become leading contributing members of our new world society UNlocracy.

Each 'hacker' now contributes their profound pioneering knowledge and skill base to complete the solution5steps.com design and deployment of our worlds first and last open public database that leverages the 'HIVE' Principal of Law of Large Numbers of the Will of Majority of all people.

The Prime requirement is that anyone joining our world wide single society must publish all their financial information, ownership and even reveal any victims and debts they have incurred over their lifetime. This one requirement enables each person to 'pay back' restitution to any of their victims so they can re-enter society as a hard working contribution member of UNlocracy using UNITYurl.com

For our new world society is based on 100% truth, honesty, integrity, open visibility and accountability at all levels of lives. Once NO secrets can exist, no crimes can be committed and go unpunished. The dated deterrence is the publication and publicity of all financial and business transactions as showcased hundreds of times PRIOR to

Some may even be inside CIA and NCIA (Philippines) and definitely have already infiltrated INTERPOL since I directly contacted the starting Jan 7, 2015.

Each 'saved' hacker is now generically known as a 'BACKER'. One who backs the integrity of all others by performing the required criminal investigation into any collectively reported crime and insures (ensures) each criminal goes to HELL-JAIL by making sure no crime investigation is forged, hacked, or deleted.
