Landmark Class Action Miscarriage of Justice lawsuit.

USGOV Landmark Class Action Lawsuit 4:11cr112

The criminal sequence and chain of evidence was always completed and turned over to each police Dept, then to named Lawyers, then to IRS, FBI, AG, USA Military as well as sent directly to National News Media and Public starting back on Jan 15, 2008.

Keith Brent Duncan hereby openly testifies to everyone he violated no ones rights and has never received his own \$3.2 Million USD original FortuneONE.org assets back even after filing each required Police Department report, contacting our Insurance companies, going direct to Georgia Bar Association, going back to IRS, FBI, AG, National News Media, and public.

Not one time has anyone ever acknowledged the crimes committed by initially Douglas Vernon Duncan, then Sherry Mingle Duncan, then Robert Dee Rose, then Douglas Vernon Duncan recursively recorded threats summer 2016 then summer 2021 Raleigh NC in Wake County court to murder Keith same as during our youth High Point NC history.

Each named and linked civil criminal defendant has openly defrauded Keith Duncan of his very own registered assets. Each accused then filed Temporary Protective Orders TPO to stop all criminal investigations into their lifetime criminal sprees of defrauding and physically robbing Keith Brent Duncan of his assets, withdrawing all his bank accounts, withdrawing all his 401K retirement assets, selling off all his lifetime assets, theft by conversion of his intellectual property of +15 patents of IseeStand.ORG, TurnOffLights.com (smartBreaker.us, LaserTunnel.com JoyDrive.us, SmartSmoke.us) and the most critical anti-all crime systems of UNlocracy.org focusing on use of one international Voting system Evote.one and One international open public database FOIA.ONE.

USGOV Landmark Class Action Lawsuit 4:11cr112

The basic crimes were always Illegal Detainment based on the crimes of each person named in this class action lawsuit. The subsequent crimes where brutal theft of our entire lifetime fortuneONE.org assets that were **GOD sent solutions to unify +8 billion WE THE people forever.**

1st illegal detainment (kidnapping) was 7 days May 2009 at Peachtree Charter Medical Hospital after Sherry Duncan and Kyle Duncan assaulted Keith after Sherry refused to sign the postnuptial financial divorce agreement spring 2009 resulting in Kyle Duncan brutally assaulting Keith Duncan dislocating our right shoulder requiring surgery.

The subsequent most brutal assault on Oct 15, 2018 broke Keiths nose, jaw, and eye socket when Keith was illegally and criminally held at Georgia Regional Mental Hospital Oct 6, 2011 to on or about Nov 15, 2018 after Atlanta FBI Agent LYNN (unknown last name and badge) criminally ordered Keith to be medically evaluated on UNSIGNED statement by any judge that Keith was “grandiose delusional for going TO FBI and POLICE” continuously since Feb 4, 2011. This was caused by sister Paige Lee Duncan Collins direct contacting FBI to have Keith illegally detained kidnapped upon our arrival back to Atlanta GA from Philippines on Oct 5, 2011.

The Second illegal detainment kidnapping was Feb 23, 2011 one night in Cobb County Jail after Ms. Bashama alone false testified I had kidnapped someone, stole my own \$40,000 USD , assaulted someone ??(who) , and Obstructed Justice by calling 9-11 twice Feb 4, 2011

when Keith Brent Duncan directly asked Marietta PD officer Wishon to arrest Ms. Bashama and Wendell Carraway after they had used u-Haul truck to steal \$40,000 valued assets and cash from Keiths leased 811 laurel Springs Lane, Marietta Home as Ms. Bashama was clearly listed on the 1 year lease from Jan 5, 2011 forward.

Keith bonded out \$5,000 paid for by Keith in cash by ex-wife Sherry Mingle Duncan on Feb 24, 2011.

Keith gave Cobb County Judge Fabier two arrest warrants on Bashama and Wendell Carraway at 10 am Feb 8, 2011 after photographing Officer Wishon conspiring with Bashama and Carraway in Police Lobby at 9 am. Cobb County Judge Fabier refused to sign claiming the Marietta Police Report was still open despite I handed him the original EVB0 Marietta PD 1-11-2506 that showed Keith was the victim and only \$5,000 Usd assets + a few items had actually been stolen Feb 1-3, 2011.

On July 15, 2011, Atty Berry Vic Reynolds finally ordered TPO 11.1.1171 dismissed by Cobb County DA Patrick Head and ADA Grady Moore.

Everyone refused to order arrests of anyone. Berry was paid \$6,000 USD to go to FBI and Press in March 2011 and constantly refused claiming 'OH these things just take time and the DA Patrick Head was intent on prosecuting Keith for stealing his own assets.'

3rd illegal detainment and massive civil rights violations was Oct 3, 2011 to Jan 6, 2012 based on two false claims of violations by Robert Dee ROSE on Aug 30, 2011 based on

USGOV Landmark Class Action Lawsuit 4:11cr112

VIDEO never shown in Court Aug 23, 2011 TPO 11.1.7683. This same most incriminating 1 minute legal recorded open video was used to claim Violation that we hand delivered to Atty Alexander Cyclone Covey back in June 2011. The video of Nov 14, 2010 (twenty Ten) clearly shows Amy ROSE endangering their own two children 2 blocks from their Alpharetta Georgia \$2.5 Million USD estate home paid for illegally by original HomeWaves.com funds.

4th Illegal Detainment and massive civil right violations was Norfolk VA 4:11cr112 signed by Atlanta AG Sally Q Yates Dec 13, 2011 based on NO VIOLATION of Cancelled Cobb County TPO 11.1.1171 dated Feb 23, 2011, Dismissed July 15, 2011.

For Total of 848 days, Keith contacted everyone to command he be released as we knew our homes, bank accounts, all assets were being systematically stolen and sold off by Sherry Duncan, Matthew Duncan, Kyle Duncan, and then Brian Walker from Jan 5, 2012 until Jan 28, 2014 when we were accidentally released on claims insufficient evidence for USA GOV (named officials) to prosecute on anything. We went back to Atlanta GA same day and found our homes and possessions had all been sold off with attached Forged/altered Power Of Attorney that was whited out and changed. Chris Morris of CMAWizards.com, Atty Jimmy Deal all have evidence of massive conspiracies by named above group and still refuse to turn over anything to FBI AG PRESS and even public full disclosure.

Subsequent crimes occurred those 848 days as Keith contacted thousands of law enforcement officers, most of his lawyers, so many national News Media, contacted his very own Pastors

USGOV Landmark Class Action Lawsuit 4:11cr112

and deacons at Peachtree Corners Baptist Church, Norcross GA, and Dr. Bill Ross at Marietta First Baptist Church.

Always asking for entry into Federal Witness Protection Program and for DOJ

DOD literally anyone to protect his life while same DOJ, POLICE, literally any law enforcement agency completed each and every civil and criminal investigation resulting in each person serving prison time. Many will go on death row for the extreme financial damage they each caused by sealing documents, forging/altering documents, true conspiracies of altering forging and destroying the key certified court documents.
