Title: EcologyMining.org Universal Request for IMMEDIATE in person Meetings. Call VIDEO us PLEASE 770-377-2106. We are #1 world greatestecologist EcologyMining.org TurnOffLIGHTS.com SolutionSafeWater.org Emailed to everyone, Includes. Mrs. joanna.stern@wsj.com, nicole.nguyen@wsj.com

EcologyMining.org from our year 1976 NCSU Raleigh NC freshman year CEOkeith.org is the only series of most prolific interlinked cascading patents, technology, education, and decentralization of **ENERGYoneSafe.org** ever universally gifted to reverse CLIMATE CHANGE polluters we most correctly brand as CrimeLords and Broksters, most are Fortune 1000 Executives of Wall Street and other open public stock market trading OUR exchanges. Basic fundamentals is Robotic high pressure water jets cut into all our world mountains 10 times faster than existing TBM like Tesla Boring INC.

Combined with plasma cutting torches, and vibration machines, any size shape tunnel and cavern can be quickly excavated as only 100% underground mining. Then massive scalable small and medium cold water electricity turbines are installed to transfer the stored potential energy of water captured on the slopes of our mountains so we have NO MORE downstream flooding.

Then we add 10,000s of small FreeNUCLEAR.org power plants the size of school buses inside our mountains and hook up all our new TerraWatts of electricity generators to our existing power grid. Now we have full control over all electricity + SolutionSafeWater.org. Few understand that electricity must be consumed within 1 second or stored in batteries. No exception to this most fundamental theMetaPhysics.org original matter to energy transfer universal technology psychics really.

Who do you actually trust and know to immediately debrief us on HOW we all now procreate CRIME FREE UTOPIA UNIOcracy.org use of our 1976 EVOTE.ONE ReInvestall.com SolutionLawEnforcement.com other 170 patents to DECENTRALIZE all assets and authority back to WE THE PEOPLE as only peacemakers problem solving experts use of PeaceSUMMIT2020.com also branded perfectly as PeaceSUMMIT2025.com and PeaceSUMMIT1.org.

Remains true that #1 most manhuntALL.com cyber terrorist was ROBERT DEE ROSE at DuncanCLAIM.org who had us kidnapped 6 times over 900 days with a single 2 line EMAIL LinkedIn.com I never sent Aug 28, 2011 used to order we be DRUGGED to death indefinitely civil committed by only ONE criminal agent of DOSJ.org to prevent recovery of our original \$40 BILLION USD Uniocracy.org FortuneONE.org

SO i spent post Jan 28, 2014 resurrecting all ways and means for WE THE PEOPLE to finally peacefully PURGE all violating criminals from OUR communities use of EVOTE.ONE SolutionJUDGE.com focusing entire world on rapid deployment ratification of worlds last perfected

Single open PUBLIC Constitution of SolutionManifesto.com also branded as GODsConstitution.org to bring all religious organizations back as ONLY SPIRITUAL leaders who actually know WHO is WHO, WHO owns WHAT, and WHO trades barter with anyone else.

NO SECRETS is Crime Free utpiora UNlocracy.org NO ONE has ever protected my rights or life or even offered required Safe haven while greatest peacemaking transfer of over \$ nnn (pick your own TRILLIONS of USD) value of all pirated wealth back to our greatest places of mortal needs.

ReINVESTALL.com shows the ONLY single economic model of ONLY our assets stored safely in local community Credit unions (Trust Savings and Loans), and ONLY we invest in privately held corporations.
